3. Can I stay in residence for a few days before or after the program?

As indicated in the [Program Details \(Explore / Immersion\)](#), you will **not** be charged for arriving **one day earlier** that is **May 16 (Spring Session)** and **June 26 (Summer Session)**. You must vacate residence **by 12 p.m.** on **June 17 (Spring Session)** and **July 29 (Summer Session)**. However, a charge will be applied for any other extra days. 4. Can I have friends and family visit me during the program? Can they stay in my room?

They can visit you as long as they do not interrupt your participation in the scheduled activities. Guests **cannot** stay in your room (see [Explore Agreement / Immersion Agreement](#)). They will need to contact Glendon Hospitality (416.736.2100 x 88547) to book a room on campus.

5. How much spending money should I bring? Is there a bank on campus? An automatic bank machine?

Students have reported spending \$250 - \$500 on optional social and cultural activities and other personal expenses. Contact your health care provider in your province to find out if your health insurance covers you while in Ontario. If you are not covered, you may have to pay from your own pocket and ask for receipts. Your insurance company will probably reimburse you when you are back in your province. Contact them before leaving your province.
