## **NEW!** International Bachelor of Arts (iBA)

Acquire a top-quality liberal arts education with an international perspective through our bilingual iBA and trilingual iBA programs – the only of their kind.

Glendon's unique international Bachelor of Arts recognizes the need to prepare students for success in an exciting and complex international environment where issues increasingly cut across and transcend national borders. Available as a bilingual or trilingual program, the iBA allows you to reflect on international issues within and beyond your area of specialization and provides practical experience in living and learning abroad that will enrich your life permanently, and distinguish your education in the workforce or when applying for graduate studies. Our reputation for excellence in languages and international studies, our close-knit, multicultural community, and our Toronto location combine to make Glendon the ideal host for this program.
