## Before you begin

- ☐ **Accept your offer of admission**

To be done on [OUAC](#) or [MyFile](#)

- ☐ **Check if you have any admission conditions**, such as proof of language or final transcripts. Review your [Offer Letter](#)

- ☐ **Set up your Security Questions.**

Sign in to your [Student Profile](#)

- ☐ **Find your Language Placement Results**

See [Placement Test website](#)\*

\*It can take up to 2 weeks for some test results to become available

\*\*If you wrote a placement test when applying to the Bachelor of Education, your result **will not be linked to your Passport York Account**. Click “[Log me in with another account](#)” and sign in with the email address and password that you used before.

# Find your language placement results

Placement Test Website – <https://placement.glendon.yorku.ca>

## ALREADY COMPLETED YOUR TEST?

FSL test results automatically appear on your Dashboard after submission

FRAN, SP and ENSL results may appear on your Dashboard as “not graded” for up to two weeks. Check back often to see when the result is posted

## DID YOU WRITE THE CORRECT TEST?

French language learners who are pursuing French Studies as a Major or Minor write French for Major-Minor (Anglophone Stream – FRAN)

All other French language learners write the French as a Second Language (FSL) test.

Spanish (SP) is required for those in the Hispanic Studies Major and optional for everyone else

## NEED TO WRITE ANOTHER TEST?

Select the test you need from “Need to take a different assessment?” on the Dashboard

## NOT SURE IF YOU WERE PLACED AT THE RIGHT LEVEL?

Enroll in the courses at your level of placement  
(3 credits in Fall and the next 3 credits in Winter)

Attend the first day of classes

Consult your professor to see if a level change is necessary

A photograph of a modern, multi-story building with a glass facade, illuminated from within, set against a twilight sky. The building's interior lights create a warm, yellow glow that contrasts with the cool tones of the evening. The glass reflects the surrounding environment, including trees and the sky. The building's design is minimalist, with clean lines and a transparent structure. The foreground shows some dark, silhouetted foliage, and the overall scene is framed by a blue border with a red vertical stripe on the right side.

# How to choose the right courses

# Degree Requirements

There are 5 common requirements to all Glendon degrees:

1. Major
2. General Education
3. Language Requirement
4. Upper-Level Requirements
5. Credits outside the Major (Science outside the major for BSc)

If you pursue the following options, **Additional Requirements** will apply:

- International Bachelor of Arts (iBA) or Bachelor of Science (iBSc)
- Add a second major (Double Major)
- Add a minor (Major/Minor)
- Add a certificate program

For full details about your requirements, always consult the Academic Calendar from the year you begin your program

# Credit Values

## 3-credit courses

- Typically run for one semester
- Fall-term (F) = September to December; Winter term (W) = December to April

## 6-credit courses

- Typically run for two semesters
- Year-term (Y) = September to April
- Winter/Summer-term (WS) = December to August

## Accelerated courses

- Some 6-credit courses run for a single semester
- Same amount of work as a Year-term course but in a shorter period of time (more intense)
- When possible, choose the Y-term section of a 6-credit course instead of the W-term section.
- Remember not to exceed 15 credits in one term.

# Course load – Full-Time vs. Part-Time

## Maximum Course Load

To graduate in the conventional timeline, the expected [course load](#) for the Fall and Winter is 30 credits. Note that not everyone is able to take the maximum course load. For example, if you work full-time, have a registered disability, or have heavy non-academic commitments, consider taking fewer credits.

## Full-Time Status

To be considered a full-time student, you must be enrolled in a minimum of 9 credits per semester.

## Part-Time Status

If you take fewer than 9 credits per semester, you are considered a part-time student.

## Course load for students with disability

Students officially registered with a disability through Glendon's [Accessibility, Well-Being and Counselling Centre](#) can be considered full-time if enrolled in 6 credits per semester.

# Selecting the right courses for first year

In your first year of study, you will focus your course selection on these three areas:

**1) Major Requirement** - Introductory courses in your chosen discipline

**2) General Education Requirement**

- For BAs: Courses in Humanities (HUMA), Natural Science (NATS), Social Science (SOSC) and Modes of Reasoning (MODR)
- BSc: also includes Computer Science (LE/EECS), Mathematics (MATH) and Foundational Science courses (ex. PHYS, BIOL)

**3) Language Requirement** - Courses in your second language

FRAN or FSL courses for French language learners, ENSL for English language learners

Elective courses should be added only if your schedule allows for it once these 3 categories are fulfilled.

# Steps for Selecting Courses

Intended for students who receive 0 to 15 transfer credits

# 1

Open the [Program Checklist document](#) and navigate to your chosen Major. Follow the instructions to plan out a course load of 30 credits.

If you plan to add a second major or minor, consult the program checklist of your second discipline to include 6 introductory credits in your plan.

# 2

Look up course descriptions and schedules. Take note of the days and times of the courses you are interested in taking.

See [How to find course descriptions and schedules](#)

# 3

Enrol in courses using the Registration and Enrolment Module (REM).

See [How to enrol in courses](#)

# Steps for Selecting Courses – Students with Advanced Standing

Intended for students who receive 18 or more transfer credits

# 1

Consult your “**Degree Progress Report**” to see how your transfer credits apply to your program requirements. You’ll receive this document by email.

Follow the “**Suggested Courses for FW22**” section on Page 2 to plan out a course load of up to 30 credits.

# 2

Look up course descriptions and **schedules**. Take note of the days and times of the courses you are interested in taking to help with scheduling.

See [How to find course descriptions and schedules](#)

# 3

Enrol in courses using the **Registration and Enrolment Module (REM)**.

# How to find course descriptions and schedules

A photograph of a university campus scene. In the foreground, a grassy lawn is visible with a paved path. Several students are present: a group of three students (two men and one woman) are walking on the left; a man in a blue shirt is standing in the center, looking towards a large brick building; and a group of students is sitting on a bench on the right. The brick building in the background features large, abstract metal sculptures. The scene is framed by a blue border on the left and top, and a red border on the right. The text "How to find course descriptions and schedules" is overlaid in white on the left side of the image.

# Navigating the York Courses Website

1. Open the [York Courses Website](#)
2. Click on **Advanced Search** from the menu options on the left;
3. **Faculty** – Select Collège universitaire Glendon (GL);
4. **Subject** – Select the Subject of the course you are searching for;
5. **Session** – Choose Fall/Winter 2022-2023;
6. Click **Search Courses**.

The screenshot shows the 'SEARCH COURSE TIMETABLES' page on the York Courses Website. The left sidebar contains a menu with 'Advanced Search' highlighted and circled with a red '1'. The main content area has the following fields:

- Faculty: (mandatory)**: A dropdown menu with 'Collège universitaire Glendon - (GL)' selected and circled with a red '2'.
- Subject: (mandatory)**: A dropdown menu with 'Economics - ECON' selected and circled with a red '3'.
- Course Number: (optional)**: An empty text input field.
- Session: (mandatory)**: A dropdown menu with 'Fall/Winter 2013-2014' selected and circled with a red '4'.
- Year Level: (optional)**: A dropdown menu with 'Any' selected.
- Search Courses**: A button at the bottom circled with a red '5'.

At the top right, there is a 'Passport YORK' logo, a 'LOGOUT' button, and a link 'All About Passport York'.

Click the link next to your desired course to **read the Course Description and Schedule**.

## Pay attention to year levels!

The first digit of a course number indicates the year level of the course.

Students can generally enrol in courses in their year level, one level above and one level below.

First year students can enrol in 1000- and 2000-level courses only

 **LOGOUT**  
[All About Passport York](#)

**Course Description:** **1**

An overview of the discipline of psychology, which includes sensation and perception, learning and behaviour modification, social psychology, developmental psychology, personality, motivation, abnormal psychology and psychobiology. Note: This course is required for all students who intend to pursue additional courses in psychology at the 2000-, 3000- and 4000-levels. Students must pass the course with a minimum grade of C in order to pursue further studies in psychology. Under exceptional circumstances, non-majors who have not obtained a minimum grade of C in GL/PSYC 2510 6.00 may apply for special consideration to enrol in an upper-level psychology course for which GL/PSYC 2510 6.00 is a prerequisite. This application should be made to the Glendon psychology department Chair. Course credit exclusion: HH/PSYC 1010 6.00.

# Questionnaire

You will be asked to agree to the Student Code of Conduct Agreement and to confirm your preferred method of communication (email and cellphone).

The screenshot shows a web interface for York University's online services. At the top, there's a navigation bar with 'MY ONLINE SERVICES' and a 'Passport YORK' logo. A 'LOGOUT' button is visible in the top right corner. Below the navigation bar, the page is titled 'Registration and Enrolment'. There are two tabs: 'Select Academic Session' and 'Course Timetable'. The main content area is divided into two columns. The left column contains three sections: 'Please answer the following questions', 'Honours or Bachelor Question', and 'Tuition Fees Contract'. The right column contains 'Student Code of Conduct Agreement', 'E-mail and Cellphone Confirmation', and an 'Important Note'. The 'Please answer the following questions' section asks for the user's preferred degree (Honours or Bachelor) and their preferred method of communication (email or cellphone). The 'Honours or Bachelor Question' section asks if the user is academically eligible for an Honours degree. The 'Tuition Fees Contract' section asks if the user agrees to the terms of the contract. The 'Student Code of Conduct Agreement' section asks if the user acknowledges the agreement and if they accept it. The 'E-mail and Cellphone Confirmation' section asks if the user's email and cellphone details are correct and if they prefer to receive official communications via email or cellphone. The 'Important Note' section provides information about the use of external email addresses.

**Please answer the following questions**

Since this is the first time that you have used the online services, you will be asked a few questions.

**Honours or Bachelor Question**  
If you are academically eligible, or become eligible, for an Honours degree, please select the degree you would like to pursue.

Which degree would you like to pursue?

☒ **Honours (120 credits)** ☐ **Bachelor (90 credits)**

If you decide to change your program after registration, you will be responsible for the difference in tuition fees.

**Tuition Fees Contract**  
Your current status makes you eligible for a reduced tuition fee rate. Your enrolment/registration contract will require you to provide information, that you agree to supply and pay the fees assessed for your registration.

Do you agree to this contract?

☒ **No** ☐ **Yes**

**Student Code of Conduct Agreement**

I acknowledge that I have an obligation to abide by York University's non-academic Student Code of Conduct and I understand that it is my responsibility to review the Student Code of Conduct found at [www.yorku.ca/scdr](http://www.yorku.ca/scdr).

Do you accept this agreement?

☒ **No** ☐ **Yes**

**E-mail and Cellphone Confirmation**

1. Are those emails, which we have on file, correct? If not, please correct them.

**York e-mail** **External e-mail**

2. In some circumstances, York may send official communications to students via e-mail. It is important that when the University does this that these messages reach you and are read in a timely manner. When applicable, do you prefer that official York University messages be sent to your York e-mail address, or to an external e-mail address that you may specify?

My preferred email address for official communications from York is:

☐ my **York e-mail** address ☒ my **External e-mail** address

**Important Note:** If you choose to use an external e-mail address as your preferred account, you are responsible for ensuring there are no problems with your external e-mail provider or your individual account that would prevent York University from delivering an e-mail to you at that address. York cannot be held responsible for quota restrictions, spam filters, firewalls and system outages etc. for external e-mail systems.

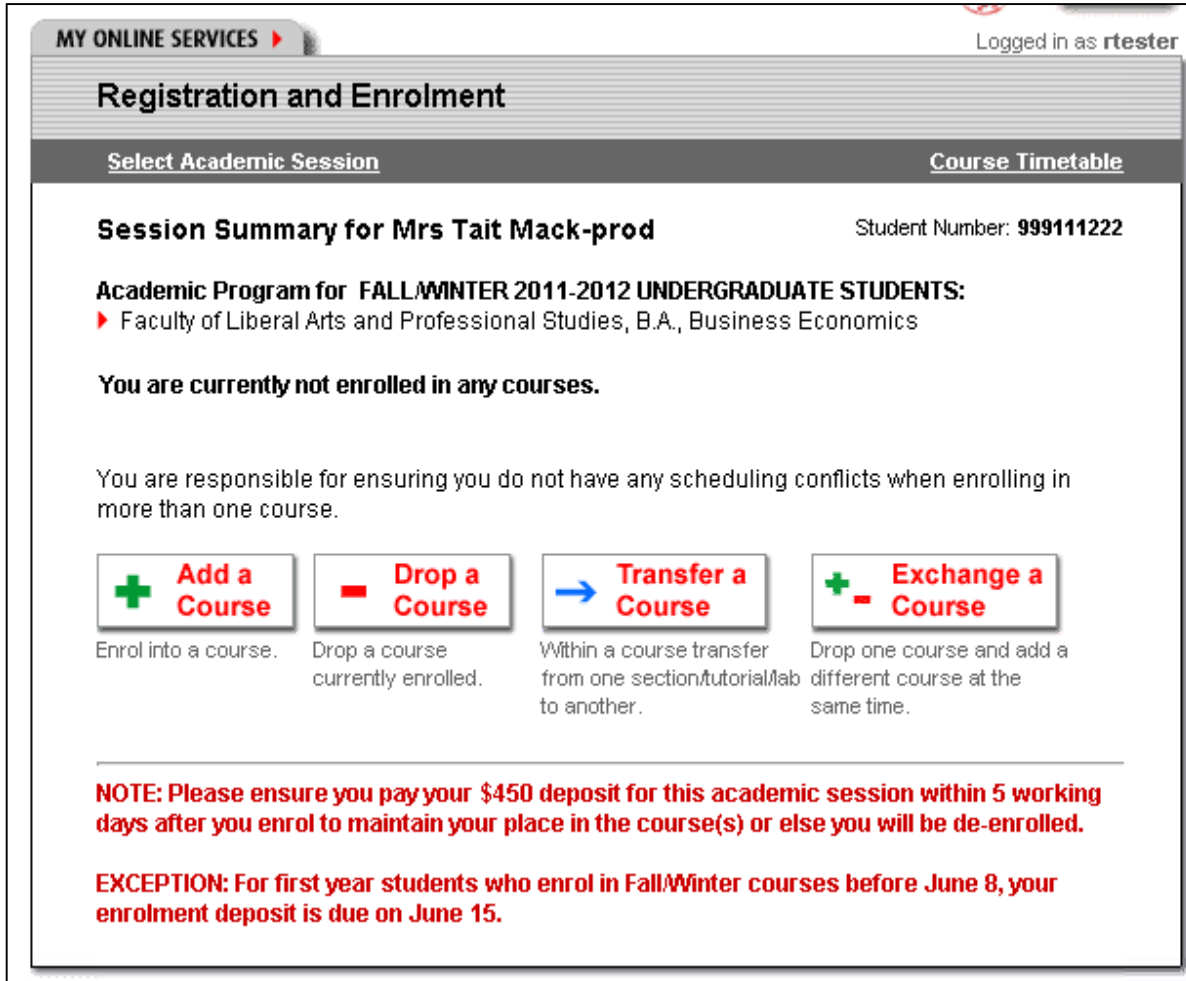

Note that in some courses your professor may insist upon the use of a yorku.ca e-mail address and in those cases, such a directive would override this preference setting.

3. Are following cellphone details correct? If not please correct them.

# Common Enrolment Issues

Seats reserved / restricted

Course full

Cannot add French courses

French course conflicts with a mandatory course

French course is full in the Fall-term

BSc students: Courses conflict with Chemistry courses

BEd students: Cannot enrol in my education course

Upper Year courses

Cannot avoid timetable conflicts

# Remaining Seats Reserved/Restricted

## What it means:

"seats/spaces are reserved/restricted" means that the limited seats available are reserved for students for whom this course is a requirement. These restrictions are sometimes lifted later in the enrolment cycle, but this is course-dependant.

## What to do:

If you require a course that is reserved/restricted, the spot is reserved for you. Go ahead and enrol! If this does not work, try the options offered on the next slide!

# Course Full

**What it means:** If you attempt to enrol in a course and it is full, this means that all the assigned spaces for this class have been taken.

## What to do:

- If the course has multiple sections, try enrolling into another section.
- Select a different course according to your requirements
- Try again another day! Students often add and drop courses, so a spot might open up.
- If the full course is one of your required major courses, reach out to your department. You can find contact information for a department on the [York Course Contact Directory](#).

# Cannot Add French Courses

Departmental permission is usually required to add FSL and FRAN courses. This allows the department to verify that you are adding the correct courses based on your level of placement.

## What to do:

- Contact the academic department that offers the course

For French Studies (FRAN) courses – [francais@glendon.yorku.ca](mailto:francais@glendon.yorku.ca)

For French Second Language (FSL) courses – [fsl@glendon.yorku.ca](mailto:fsl@glendon.yorku.ca)

Include your:

- name
- student number
- the course code (ex. FSL 1210), and section (ex. Section B).

Remember to request permission for two French courses – the first level in the Fall and the next level in the Winter.

Once the department has given you permission to add your courses, log back into the Registration and Enrolment Module (REM) to enrol in the courses.

# French Course Conflicts with a Mandatory Course

## What to do:

- Prioritize the mandatory courses in your Major.
- This means you may only be able to start 3 credits of French this year instead of 6.
- You can replace these credits with 3 additional general education credits or elective credits.
- You can also take your next FSL course in the Summer term or in the Fall.

If French Studies is one of your Majors, prioritize your FRAN courses and drop or change other courses.

# The Fall Sections of my French Course are Full

## What to do:

- Start your French course in the Winter term.
- Do not select a course at a level that is different from your placement level.
- Since you will only be completing 3 credits of French instead of 6, take 3 credits of General Education or electives in the Fall to complete your timetable.
- Take your next FSL course in the Summer term or the following Academic Year.

*Have you read the course descriptions to see if any sections are listed as “**Backup**” (**Under Notes/Additional Fees section**)? If there is a Backup section that works with your timetable, contact the department for more information.*

# BSc students: CHEM 1000 and/or CHEM 1001 conflict(s) with mandatory courses

## What to do:

- Prioritize the mandatory courses in your major
- Take Physics instead if you have the prerequisites for this course GL/PHYS 1420 6.00
- Take one or both courses in a future semester (Summer or the next Fall/Winter)

You can replace these credits with additional general education courses (HUMA, SOSC), Introduction to Psychology (GL/PSYC 2510 6.0) or Introduction to Biology (GL/BIOL 1000 6.0)

# I'm a BEd student and I cannot enrol in my education course

## What to do:

- Make sure you are enrolling in the section that corresponds to the Education program you were admitted to in your [Admission Offer letter](#).
  - If admitted to BEd for FSL Teaching at Glendon Campus – Enrol in **Section G** of ED/EDUC 1000 3.0.
  - If admitted to the English Bed program at Keele Campus – Enrol in **any other section** of ED/EDUC 1000 3.0.
- Make sure you **select your BEd program** from the program **dropdown menu in REM** when you enrol in your education course. You need to select your Glendon program in REM when enrolling in all other Glendon BA or BSc courses.
- Send an email to the Faculty of Education if you are still unsuccessful in adding the course – [osp@edu.yorku.ca](mailto:osp@edu.yorku.ca)  
Make sure to include:
  - Your name
  - Student Number
  - Course and Section information (ex. ED/EDUC 1000 3.0 Section G)
  - A description of the issue you are experiencing (ex. Seats reserved, Course full, Blocked from enrolling).

# Upper-Year Courses (at the 3000 and 4000-level)

Any courses that start with a 3 or a 4 are considered upper-year courses.

## What to do:

- First-year students should avoid upper-year courses; they are quite challenging!
- You should be enrolling in courses that start with a 1 or 2 ex: 1001, 2030
- The system may not stop you from enrolling in upper-year courses; it is up to you to make sure you aren't doing so accidentally.

**NOTE:** If you were granted transfer credits, you may be advised by an academic advisor to add upper-year courses.

# I Cannot Seem to Avoid Timetable Conflicts

## What to do:

- Try using the Visual Schedule Builder to play around with course schedule scenarios. [Watch video tutorial here](#)

Note: The VSB does not register you in courses. You must still enrol in courses using the [Registration and Enrolment Module \(REM\)](#).

- Be open and flexible to other course options that were not your first pick.
- If you need to drop a course you are interested in, take note of it and try to fit it into your schedule in the future, either next term, or in the next academic year.
- Don't give up. Learning to enrol in courses is a new skill and it takes time and practice to get it right.

# Next Steps

# Pay your \$300 Registration Deposit

A \$300 payment to your student account is required when you enroll in your first semester at the university.  
**This deposit is part of your tuition fees: it is not an additional fee.**

## Why is it required?

The deposit confirms your registration at York University and **unlocks services** you will need to prepare for the start of classes and continue through your courses.

## Deadline

The payment deadline is based on when you start enrolling in courses.

[See here for deadlines](#)

## How to pay

See [How To Make Payments](#) section of the Glendon Student Financial Services website.

# To do before the start of term

## **Finalize your course schedule**

We recommend finalizing your courses as soon as possible after attending your enrolment appointment. The closer we get to the start of term, the harder it may be to enrol in courses as classes may start to fill up.

**Learn about orientation, frosh, residence, accommodations, financial aid, scholarships and more** on the [First Year Experience website](#)

**Join the Glendon Community** on [GL Connect](#) to meet other new students and current students.
