

# Virtual Career Fair

We invite you to connect with us

The Halton District School Board invites you to join our quickly growing team. Our teachers support more than 66,000 students in more than 100 schools in the communities of Acton, Burlington, Georgetown, Milton and Oakville.

We are an English Board that is known for collaboration, innovation and for building student and staff engagement. We have more than 35 elementary schools with French Immersion programs, five of these are single track immersion schools. In Halton, we believe that all students should have the opportunity to learn French at an early age. For this reason, all students take core French in Grade 1 and French Immersion begins in Grade 2.

**We will be participating in Glendon College's career fairs on the following dates:**

- **Virtual Education Job Fair:**  
January 13, 2021 at 3 - 5p.m.
- **Virtual Bilingual Job Fair:**  
February 24, 2021 at 2 - 4 p.m.

Applications are accepted through
