Operation Instructions

1. Rotate the rubber ring counter clock-wise to lock the button and clock-wise to unlock.

2. Push the button to release the clip.

3. Using a coin, screw the clip into your camera.

4. Insert clip back into Gorillapod.

Treat your Gorillapod like you would a pet!
*Please DO NOT attempt the following:*

- Pull your Gorillapod apart
- Oil or glue your Gorillapod
- Attempt to unlock the Lock Ring with pliers
- Store in a hot car or freezing cold
