**Graduating with a Certificate**

Except where otherwise stated, a minimum cumulative grade point average of 5.00 is required to satisfy certificate requirements. Students must also submit an application to graduate from a certificate program. Applications should be obtained from and filed with the unit administering the certificate program (LA&PS History, Glendon History, or AMPD Visual Art/Art History). Transcript notation that the requirements for a certificate have been completed will be made once the Registrar’s Office has received notice from the unit administering the program. Certificates will not be conferred until candidates have successfully completed an undergraduate degree program if they are simultaneously enrolled in a degree and a certificate program. A certificate cannot be obtained retroactively.
