

HOUSING

<p>ON-CAMPUS HOUSING OPTIONS</p>	<p>We receive many requests. Priority is given to international students who are enrolled in a long-term program lasting 3 or 4 years. Therefore, we cannot guarantee a room for incoming exchange students.</p> <p>Once admitted, they can still apply by filling in the form by June 1st. <u>Please take note of the on-campus housing conditions and the services offered.</u></p> <p>It is important to note that kitchens in residences are not available except for specific medical reasons. Important medical reasons must be documented and reported to Khadija Sheikh, sheikhk@yorku.ca, before obtaining a room in residence.</p>
<p>OFF-CAMPUS HOUSING OPTIONS</p>	<p>York University is launching an off-campus housing platform for all students looking for accommodation.</p> <p>Here are some other websites where students will find housing options. Students must be careful of any potential frauds. They should not send any money in advance.</p> <p>It is better to visit the premises prior to signing a rental lease.</p> <p>https://www.facebook.com/groups/528810910569208/?fref=nf https://www.kijiji.ca/b-apartments-condos/gta-greater-toronto-area/page-2/c3711700272 https://www.airbnb.ca/ https://www.realtor.ca/ https://toronto.craigslist.ca/d/apts-housing-for-rent/search/apa https://www.places4students.com/</p>
