

Purpose

Use this form to request that your parent's estimated 2016 income be used to assess your **2016-2017 OSAP Application for Full-Time Students**. You can make this request if your parent's 2016 estimated income is a better reflection of their current financial situation rather than their actual 2015 income due to extenuating and/or one-time circumstances, such as:

- loss of full-time employment and/or new employment at a lower pay rate;
- illness, accident or retirement;
- receipt of a severance package, insurance settlement or other one-time income payout; and/or
- separation, divorce or death that impacts your custodial parent's income.

If this request is accepted, the 2016 estimated income will be used to determine your eligibility for Canada-Ontario Integrated Student loans and provincial grants. The actual 2015 income will still be used to determine your eligibility for all Canada Student Grants.

In order to complete this form, you must have already submitted a **2016-2017 OSAP Application for Full-Time Students**.

Required Documents

Your parent(s) must provide a letter detailing the extenuating and/or one-time circumstances as to why their 2016 estimated income should be used in assessing your **2016-2017 OSAP Application for Full-Time Students**. This letter must be signed and dated by your parent(s).

Your parent(s) must also provide documentation that supports their estimated income and the circumstances they outlined in their letter of explanation (e.g., letter from employer, legal documents, etc.).

I understand that my OSAP application will be reassessed based on my parent's estimated income provided on this form. The use of this estimated parental income is for non-recurring and/or extenuating circumstances in which my parent(s) prior year income may not accurately reflect our family's current income situation. The ministry will verify my parent's 2016 estimated income with Canada Revenue Agency (CRA) when income tax information becomes available. At that time, my OSAP application will be reassessed, and it may affect my eligibility and the type and amount of assistance.
